Cassidy

New Product Profile

Responding to customer requests, we've produced the popular SiQ Callahan design in our Clean Vinyl formulation! **Cassidy** has been masterfully crafted to simulate the look and feel of fine leather, in a classic stitched-leather block pattern. This handsome design incorporates a sophisticated shimmer of pearlescent inks in a palette of 15 rich, authentic leather colors. **Cassidy** brings a distinguished character to environments requiring a refined aesthetic from boardrooms and banks to libraries, lounges and VIP suites.

Installation Notes:

Cassidy has a reversible straight across match. Blocks are 9" square. Trim to 52" width.

Physical Properties:

Width:	53/54" (134/137 cm)
Weight	Type II 20 oz./Linear Yard (612G/Lin.M)
Backing:	Nonwoven

ASTM E-84 Results: Class 'A' Fire Rating
Test results available upon request.
Pass rating when tested in accordance with NFPA 286 Corner Burn Test

Features:

- New Clean Vinyl Technology (CVT)
    - No phthalate plasticizers (film, inks, adhesive)
    - No heavy metals, including barium
    - No arsenic-based biocide
    - No antimony-based fire retardant
    - Formaldehyde free
- Pass rating under CA 01350 for improved indoor air quality
- SCS Indoor Advantage™ Gold certified
- Printed exclusively with water-based, low VOC AQUA-CLEAR INKS
- Roller applied AQUA-CLEAR 2.6 top finish for improved cleanability and stain resistance
